move it sweetie
20 is plenty nowhere
don't stop in the middle of the road to let someone turn left
Some of us have to be at work at a specific time
do any of these people know how to drive?
it used to be
does anybody on nantucket actually know how to reach
that sound is my car horn
pull over and get out of the way
do you know what turn signals are?
the Speed Limit?
don't hurry to pull out in front of me so that you can go 12 mph
i'm afraid of traffic lights
move it sweetie
do you see all of the people behind you?
the sign says 20 mph only when children are present. if you don't see children, then move it
